

Gifts to South Asia

Our partners in South Asia have provided us with a list of suggested items from which you can choose.

Please ensure that everything you purchase fits in **ONE CLOSED GALLON** sized Ziploc bag. This will help ensure that we can maximize our luggage space.

Please do not buy more than \$20 worth of items. This will ensure each child receives about the same package and will prevent competitiveness.

If you have not yet sent one, please include a letter to your sponsored child as well as any pictures.
